About me

Originally from Portugal, currently living in Berlin, Germany, I am a hardworking person with a creativity vein and attention to detail. A motivated fast-learner that thrives on a positive and supportive team environment.
Curious and excited by the entire spectrum of software development, with a special interest in frontend, design and blockchain technologies.

Professional Experience

Cognizant Nectentric

Berlin, Germany
Mar 2022 - **Present**

Frontend Developer

Worked on projects from completely different industries — Adhesive technologies and Automotive — developing and maintaining their websites across multiple markets. The technologies used include:
React, Typescript, Javascript, HTML, CSS, SCSS, Redux, handlebars, node, AEM, Git.

Talkdesk

Lisbon, Portugal
Jan 2021 - Feb 2022

Fullstack Developer

During my time at Talkdesk, I helped with the development and maintenance of a well-structured microservice system that supported the company's digital communication channels — SMS, Live Chat and Email — using technologies such as:
Kotlin, Spring, Javascript, Typescript, React, node, Ruby, Postgres, MongoDB, Docker, Git.

Education

Instituto Superior Técnico

Lisbon, Portugal
Sep 2018 - Feb 2022

MSc in Computer Science and Engineering
Final grade: 18/20
Thesis Grade: 20/20

Aalto University (Erasmus)

Helsinki, Finland
Sep 2019 - Dec 2019

MSc in Computer Science

ISCTE

Lisbon, Portugal
Sep 2015 - Jun 2018

BSc in Computer Science and Engineering
Final grade: 15/20

Skills

Frontend:
Javascript, Typescript, HTML, CSS, SCSS, React, Redux, handlebars, node, npm, jest, Accessibility, Web Performance

Backend:
Java, Kotlin, Spring, Ruby, Postgres, MongoDB

Others:
Git, Unity, C#, Blender, Docker, Jenkins, JSON, UX/UI, AEM, Photoshop, Lightroom, Procreate, Figma, Photography

Spoken languages

English
Fluent - Level C1

Portuguese
Native - Level C2
