About me

Originally from Portugal - currently living in Berlin, Germany - I am a hardworking person with a creativity vein and attention to detail. Always excited by new challenges, and to improve my skillsets as technology evolves. Dog person, huge fan of climbing, traveling and photography.
Interested in the entire spectrum of software development, with a special passion for frontend, design and game development.

Professional Experience

Front-end Software Engineer
Cognizant Netcentric, Berlin - Germany
Mar 2022 - Present
Development and maintenance of one of the company's biggest clients using the following technologies: **Javascript**, **HTML**, **CSS**, **SCSS**, **node**, **Adobe Experience Manager (AEM)**, **Git**.

Fullstack Software Engineer
Talkdesk, Lisbon, Portugal
Jan 2021 - Feb 2022
During my time at Talkdesk, I learned how to develop and maintain a well-structured microservice system that supported Talkdesk's digital communication channels — SMS, Live Chat and Email — using technologies such as: **Kotlin**, **Spring**, **Javascript**, **Typescript**, **React**, **node**, **Ruby**, **Postgres**, **MongoDB**, **Docker**, **Git**.
